WEPOS Cork Floor Cleaner

Description

Concentrate. Care formula for daily cleaning and care. Removes dirt, greasy and oily contaminants. Refreshes and maintains the natural appearance. Doesn't make the floor slippery, generates a light shine and protects against the penetration of impurities. For waterproof sealed cork floors and cork floor in the residential and commercial sector.

Effect:

All-in-one care product for daily cleaning and care. Removes dirt, greasy and oily soiling, refreshes the covering in a sustainable manner and retains its natural appearance. Does not contain wax and does not make floors slippery. Gives slight sheen, is dirt-repellent and protects against penetration of dirt.

Application:

Water-resistant sealed cork flooring and core parquet flooring in residential and commercial premises, suitable for use in bathrooms, kitchens, children's rooms and bedrooms.

Direction of use:

Add 50 mL to a bucket of warm water. Mix well. Clean floor with well wrung-out cleaning cloth and let dry. Rinsing off unnecessary.

Important:

Cork, being a natural product sensitive to moisture, absorbs water and consequently may change its shape.

Extensive effects of humidity may result in swelling and bulging. For this reason, only wipe with a moist cloth and avoid puddle formation.
