Art.-Nr. 2020100152

WEPOS Fireplace and Stove Glass Cleaner

Description

For fireplace and oven glass. Self-acting – removes soot deposits, burn marks, grease and stubborn dirt with immediate effect. Easy to use.

Effect:

Removes soot, burnt-on residues, grease and stubborn dirt and marks by itself

Application

For fireplace and stove glass

Direction of use

Only use on surfaces which have cooled down sufficiently!

Spray evenly onto glass surfaces and allow to work in for 1 – 2 minutes. Remove residues with a cloth or paper towel. Wipe over with clear water and rub dry with a clean cloth.

Important:

Observe the cleaning tips provided by the fireplace or stove manufacturer. Enamel lacquer should be properly fired before the first cleaning takes place. Protect the surrounding area of the surface to be cleaned before it comes into contact with the product. If necessary, wash off immediately with lots of water.
