WEPOS Furniture Care

Description

Cleans, cares and protects. Gently removes dirt and bonds dust. Treated surfaces are more intensive in colour and receive a natural shine. At the same time, the wood is protected from drying out. For all wood surfaces, also coated or varnished, as well as plastic and varnished surfaces in the household.

Effect:

Cleans, maintains and protects. Gently removes dirt and binds dust with regular dusting. Treated surfaces are more beautiful, have a natural shine and feel pleasant to the touch. At the same time, wood surfaces are protected against drying out. Bleached surfaces regain a more intense color.

Application:

For all wood surfaces in the home, including coated and painted wood as well as plastic and lacquered surfaces.

Direction of use:

Spray a thin layer on the surface to be treated and distribute it evenly with a dry cloth. Let it sit for 1 minute and then wipe off. For heavy soiling, spray the cleaner directly onto a cloth and use it to thoroughly wipe down the surface.
