WEPOS Linoleum Cleaner

Description

Concentrate. Refreshes the coating and maintains the natural appearance of linoleum and linoleum parquet. Suitable for wiping and initial care of newly laid or stripped floors. Dirt adhesion is reduced and the everyday cleaning made easier. Protects the floor with a resilient anti-slip shiny protective film.

Effect:

Easily removes dirt, run marks, heel marks and rubber abrasion, as well as greasy and oily soiling. Refreshes the coating and maintains the natural appearance of linoleum. Suitable for wiping and for care of all newly installed and basically cleaned flooring. Reduces dirt adhesion and facilitates general maintenance. Elastic, slip resistant, shiny polish protects the flooring.

Application:

Linoleum flooring and linoleum parquet flooring

Direction of use:

With initial care or after general cleaning: Apply even, thin film undiluted in the longitudinal direction, using floor wiper or slightly moist cloth. When the protective layer is tradable – after about 30 minutes – repeat process in the cross direction and let protective layer dry properly. Do not walk on flooring, while the protective layer dries.

General maintenance: Add 50 ml to a bucket (5 L) of warm water. Mix well. Clean floor with well wrung-out cleaning cloth and let dry. Rinsing off unnecessary.

Important:

Linoleum is sensitive to hot water and standing moisture. Therefore avoid puddle formation and only wipe with warm cleaning solution.

Technische Daten

- Density: 1,0 g/ml
- PH: 8 – 8,5
- colour: milky
- smell: woody

Safety instructions:

Keep out of the reach of children.

Packing unit

1000 ml-bottle (4 per box)
