WEPOS Marble Polish

Description

Gives dull, matt coatings a fresh look and protects even new coatings against watery stains and dirt. Regular application reduces the signs of wear and tear and the formation of skid marks. Easy to polish and generates a brilliant shine. Evens out slight scratches. For all polished or finely ground natural stones.

Effect:

Gives matte and dull coverings a fresh appearance and also protects new coverings against watery stains and dirt. Regular application diminishes the signs of use and run marks. Easy to polish and creates a brilliant gloss. Slight scratches are evened out.

Application:

For all polished, finely ground natural stones such as e.g. marble, Agglo marble, limestone, travertine, dolomite, quartzite, gneiss, granite, slate. For the treatment of new or thoroughly cleaned coverings. Suitable for window ledges, tables, furniture, kitchen counters, vanities, steps, etc. in interior areas.

Direction of use:

Shake well before use. Use at room temperature. Spray thinly and evenly onto the surface, distribute with a clean cloth or sponge. Subsequently polish with a dry, soft cloth. In case of strongly absorbent materials, repeat the procedure. Thorough polishing increases the degree of gloss.

Important:

Treat larger areas section-wise. As an additional protection against oily and greasy dirt and for ease of care, natural stone surfaces should be treated with Wepos Marble and Granite Impregnation. Wepos Grease, Wax and Dirt Remover removes old layers of wax and care products.

Technical Informations

- Density: 1,0 g/ml
- PH: 6,5 – 7,5
- colour: milky dull
- Geruch: characteristic

Safety instructions:

Keep out of the reach of children.

Packing unit

750 ml-bottle (6 per box)
