

WEPOS Marble & Stone wash and shine

Description

Concentrate for regular everyday care. The penetration of dirt into the surface is reduced. Continuous use improves the appearance of the coating. The surface is more beautiful, the colour and structure enhanced. Shines without polishing. For all marble and stone surfaces. For flooring, window sills, wall coverings and kitchen worktops.

Effect:

For regular maintenance and daily cleaning. Refreshes colour and structure. Cleans and cares in one step. Reduces penetrating of dirt into the surface. Adds extra shine to marble without polishing.

Application:

For all marble and natural stone like: Carrara, Travertine, Terrazzo, Jura, Porphyry, Quarzit a.s.o.. Also useable on high polished, impregnated, sealed or grinded surfaces indoor. For floors, window sills, walls and kitchen worktop.

Direction of use:

Sweep clean the surface first. Put 50 ml into one bucket (5 l) of warm water. Mix well. Scrub or mop, depending on how dirty the floor is. Rinse the mop regularly in a bucket of clean water. Do not rinse or dry the floor after cleaning.

Important:

To protect marble and natural stone against contamination by oil, fat, waterspots a.s.o. we recommend to use the WEPOS Marble and Granite Impregnation.

Old and unsightly finishes are to remove with WEPOS Basic Cleaner and Stripper.
