Art.-Nr. 2020102408

WEPOS Plastic & Synthetic Material Cleaner

Description

For all plastic surfaces in the household, garden, office and commercial areas. Works powerfully, gently and antistatically. Loosens and removes signs of wear, persistent soiling, oily and greasy dirt and deposits such as nicotine. Also for boats, cars, garden furniture.

Effect:

Acts intensively and gently. Dissolves and removes traces of wear, stubborn soiling, oily and greasy dirt, deposits such as e.g. nicotine and evaporation residues and dirty edges.

Application:

For all plastic surfaces in household, garden, office and commercial areas. Especially suitable for window profiles, blinds, Venetian blinds, doors, awnings, kitchen and office furniture, boats, surfboards, garden furniture, automobile interior plastic linings.

Direction of use:

Spray undiluted onto the surface and allow to work-in for a few seconds. Take up dissolved dirt with a sponge or cloth and subsequently wipe off with warm water. In the case of particularly stubborn deposits, repeat the treatment with a sponge or brush and rinse off with water.

Important:

Check sensitive surfaces, such as e.g. on high-gloss paint, for compatibility on an inconspicuous place before treatment. Plastic intensive cleaner can be used on sensitive surfaces or on minor soiling diluted up to 1:10 with water.

Technical informations

- Density: 1,01 g/ml
- PH: 11,0 – 11,5
- colour: milky liquid
- smell: mild

Safety instructions:

Keep out of the reach of children.

Packing unit

750 ml-bottle (6 per box)
