WEPOS Shower Cabinet Cleaner

Description

Self-acting – removes limescale and soap scum. Protects tiles, grouting and glass partitions with its drip-off effect. Regular application prevents the formation of limescale. Ensures hygienic cleanliness. For shower cabinets, partitions and shower curtains.

Effect:

Self-acting removal of lime scale and soap residues. Protects tiles, grouting and glass partitions thanks to the lotus effect. Regular use prevents the formation of lime scale and stubborn contamination, leaving hygienic cleanliness. Recommended for regular cleaning use.

Application:

For shower cabinets and separating partitions made of plastic, glass, coated glass, acrylic glass or aluminium. Also suitable for shower curtains.

Direction of use:

Simply spray on to surfaces after showering. Allow to work in for 1 – 2 minutes and rinse off with water. In the case of stubborn contamination, rework using a sponge.
